Naloxone Revalidation Confirmation

Name	
Job Role	
Contact Details	
Telephone email	

You are required to revalidate overdose and naloxone training every 2 years to assure NHS Tayside of quality and consistency of training delivered.

Please return this form to

Pauline Cunningham
Cairn Centre
Ratray Street
Dundee

- I can confirm that I am aware of the competency framework for staff delivering overdose and naloxone training and I met the requirements.
- I have completed appropriate training to meet my identified learning needs.
- I have attended a naloxone catch up meeting on date(s) (minimum of 2 per year)
- I can confirm that I have kept up to date with any continued professional development requirements relevant to my profession.
- I can confirm that I have returned paperwork in a timely manner (within 2 months as a minimum).
